Helen Alvare 2013
Sister Prudence Allen 2012

“In transforming culture so that it supports life, women occupy a place, in thought and action, which is unique and decisive. It depends on them to promote a “new feminism” which rejects the temptation of imitating models of “male domination”, in order to acknowledge and affirm the true genius of women in every aspect of the life of society, and overcome all discrimination, violence and exploitation.”

~ Pope St. John Paul II, *Evangelium Vitae*, 99
